The Ambassador by David Schuttenhelm

You stand accused of unauthorized use of Magistrate ravens and signet to illegally conduct diplomatic correspondence.

Do you confess to registering yourself as a representative of Kioheim at the World Tournament in Havenring?

Yes, your excellency! But first, I'd like to say thank you for this amazing opportunity to address the council on the important topic of inter-continental reintegration and cross cultural exchange.

As part of my defence, I'd like to humbly present my 27-point treatise on why I believe, after 378 years, Kioheim should resume participation in the Tournament

Point 1. a

JUST LET HER GO!

And so I was chosen as the official Elven ambassador to the human realm.

So many different kinds of humans. All in one place.

Fortunately my extensive research has thoroughly prepared me to flawlessly integrate with any human culture.
